Letter of conformance Aluminium Rheinfelden Alloys GmbH

Dear Ladies and Gentlemen

Based on

- the audit performed on-site from 25 to 27 of October 2021
- the CARA report approved by the SQS Veto Delegate on November 9, 2021
- the NC Management report dated December 21, 2021, in which non-conformities have been closed, as approved by the SQS Veto Delegate on January 19, 2022,

we herewith confirm that the quality management system of your organization meets the requirements of IATF 16949:2016.

This letter has been issued according to the «Rules for achieving and maintaining IATF recognition», 5th edition, 1st November 2016» § 5.14, and to the Sanctioned Interpretations 20 and 29, for:

- a) a new site without twelve (12) months of internal or external performance data for the automotive production and/or service parts in the scope of certification
- b) an existing site that can demonstrate it is on an active bid list for a customer requiring IATF16949 certification or compliance.

If a contract from a client requiring IATF 16949:2016 has not been issued within 12 (twelve) months, your organization may reapply for another letter of conformance.
